Menace

****Menace****

Hate is unfounded
>Zeal is misplaced
In spite of my warnings
>Cease not you to haste<p>

Death you unleashed
>Horror quite nameless
In spite of your fault
>You hold yourselves blameless<p>

Justified and holy
>Truthful and pure
In all of your dealings
>You are but a lure<p>

For an enemy nameless
>Forever and dark
Stretching across time
>Intent on its mark<p>

You left behind teachings
>Poetry, text
Never you considered
>What might come next<p>

Sent to Forerun
>Of what, we don't know
Vanished to mystery
>As the Winds of Time blow<p>

End
